Disclosure of Systems – WBF Systems Policy

The WBF System Policy forms part of these Conditions of Contest and further regulates the use of Systems at these Championships.

- **Disclosure Requirements**

Contestants in all Championship Events are required to make full written and oral disclosure of their systems. Failure to comply with this obligation will result in penalties being imposed. For the purpose of these Conditions of Contest, unless repugnant to the context, Supplementary sheets are deemed to be part of the Convention Card of a partnership. All players will be responsible for ensuring that their partnership has two properly completed Convention Cards in English at the table at the start of each session. Failure to comply with this regulation will result in penalties being imposed. Players are advised that there will be no photocopying facilities provided at the venue. Players are encouraged to call the Tournament Director if they consider that their opponents are playing an unauthorized system. Players discovered to be playing systems that are not authorized, will be subject to penalty and required to stop playing such systems with immediate effect. Repeated offences may result in expulsion from the event.

- **Systems and Conventions**

Neither HUM Systems nor Brown Sticker Conventions are permitted at any time during any event. Players are responsible for ensuring that they have correctly categorized their system.

- **Interpretation of the Systems Policy**

Should any questions arise during these Championships as to the correct interpretation of the WBF Systems Policy, the decision of the Chairman of the Organizing Committee or his designee shall be final and binding on all contestants.

- **Supplementary Sheets**

Where a conventional sequence cannot be described adequately in the space provided on the WBF Convention Card, a reference number should be placed at the appropriate place on the Card; a Supplementary Sheet bearing that reference number, and containing the complete explanation in English must be brought to the table along with the Card.

Its opponents will receive the best score between (a) 12 VP using the 20-0 VP scale, or the equivalent according to the VP scale adopted, (b) the teams average (c) the average score obtained by all the other opponents against the team at fault, whichever is greater. Duplicated Boards

Duplicated boards will be used throughout all Championships whenever possible.

Recording of matches

The recording of scores will normally be done using the Bridgemate computer system. When Bridgemates are in use, the NS pair at each table will be responsible for the keying of the bidding, play and scores into the Bridgemates board by board. The EW pair will be responsible for agreeing the score by keying in their confirmation. The official score will be that keyed in by NS and agreed by EW. Players are reminded that they are responsible for the accuracy of their own scores. Violation of correct entering procedures is subject to penalties.

Verification of Scores

The correction period in Law 79C expires upon the commencement of the next match or segment, or – in respect of the final match or segment of any phase of the event only – 30 minutes after the final result has been posted and thereafter, the results will be final, with the following exceptions:

- awaiting a review
- completion of play or a replay of boards where such replay has been directed by the Tournament Authorities

Score Corrections

Score corrections may be made as sanctioned in Law 79 and in Laws 69 and 71. An agreed-upon score that is proven to be erroneous to the complete satisfaction of the Chief Tournament Director may be corrected up to 30 minutes after the posting of scores at the end of play on each day. Only the results of boards played that day are subject to correction.

Tie Breaking

A tie in the Swiss teams at any given time will be resolved by Swiss points, these being the sum of the VP scores obtained by each and every direct opponent of any given team. If Swiss points are inconclusive, then the following procedures will apply (in the sequence shown).

Two teams

- IMPs earned between the tied teams
- IMP quotient (total IMPs won divided by total IMPs lost) in all matches
- Total points earned between the tied teams

- IMPs earned among the tied teams

Four teams or more

- If one of the teams earned more VPs against each of the remaining tied teams among the matches they played against each other, it shall be declared winner.

Request for a Review

A request for a review of a Tournament Director’s ruling must be lodged within 30 minutes of the first posting of the official score for the Session in which the board was played that is the subject of the ruling. All such requests must be lodged by the team’s Captain or his designee. When lodging a Request for Review the appellant must make a monetary deposit with the Tournament Director. The amount of deposit required is HKD 500. This deposit will be refunded unless the Appeal Committee determines that the request was without merit, in which case the deposit will be forfeited.
