An alertable call is defined in the WBF Alerting Policy.

The partner of a player who has made an alertable call must immediately alert his opponent by placing an **ALERT** card in front of himself. (When screens are in use you place the **ALERT** card in front of your screemate when either you or your partner makes an alertable call). It is the responsibility of the alerting player to alert clearly. No explanation of the meaning of the alertable call should be made unless requested by an opponent.

Any team failing to observe the above and causing a delay of the match will be subject to **Late Start** penalties.
